

OFFICIAL NOTICE

FEDERAL FISCAL YEAR 2025-2029 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM AMENDMENT NO. 4

PUBLIC COMMENT/PARTICIPATION NOTICE

The Regional Transportation Commission of Washoe County (RTC), the Metropolitan Planning Organization (MPO) for the Reno/Sparks urbanized area, pursuant to federal law (23 USC 134), hereby provides the residents of this metropolitan area an opportunity to review and comment on Amendment No. 4 to the Federal Fiscal Year (FFY) 2025-2029 Regional Transportation Improvement Program (RTIP).

The FFY 2025-2029 RTIP is a five-year program of major state highway, regional road, transit, bicycle, and pedestrian projects for Washoe County. The RTIP represents a prioritized program directed at meeting Washoe County's growing transportation needs while improving the region's air quality, transportation efficiency, safety and mobility. The RTIP is required by federal regulation and serves as a useful tool in planning and programming transportation system improvements.

Amendment No. 4 is required to add and update projects in the RTIP.

A separate air quality analysis for the proposed amendment was not required as the added, removed, and amended projects are either exempt from transportation conformity requirements (pursuant to 40 CFR 93.126) or have already complied with this requirement and the associated amendment does not involve a change to the project scope. A corresponding amendment to the Regional Transportation Plan (RTP) is not required, according to the criteria established in RTC's Public Participation Plan (PPP).

Copies of Amendment No. 4 to the FFY 2025-2029 RTIP, which include complete details of the proposed changes, are available for viewing and comment on the RTC website (www.rtcwashoe.com) starting on Wednesday, September 23, 2026, and ending on Tuesday, October 13, 2026. A public hearing will be held by the RTC Board on Friday, October 16, 2026, following the public comment period. Any comments received will be forwarded to the RTC Board.

Interested parties can send comments on the proposed amendment during the public review period to the following address by mail, telephone, facsimile, or electronically:
