

ABOUT THE STUDY

This plan will develop a program for future transportation investments along the Rock Boulevard corridor from North McCarran Boulevard to the Truckee River. Recommendations will focus on enhancing safety and mobility, improving traffic operations and freight movement, and enhancing infrastructure for walking, bicycling, and transit. The plan will include recommendations for implementation and funding.

GET INVOLVED

- Visit the RTC website:
<https://www.rtcwashoe.com/planning/corridor-studies/>
- Contact RTC Project Manager Shay League at sleague@rtcwashoe.com or 775-332-0168
- A community survey and public outreach event will be held in the spring of 2026
